Share Withdrawal Policy- V1.1

1. Introduction

This document sets out the policy and procedures of The Society for the repayment of share capital from a shareholder who intends to withdraw some or all their share capital from The Society.

The policy is outlined in The Model Rules of The Society, which were adopted when The Society was established in 2019. A full copy of The Model Rules can be downloaded from our website:

: <https://www.kingstonecommunitysociety.co.uk/>

For simplicity the section regarding Share Capital is included in Appendix I.

2. Highlights and Key items

- a. Any withdrawal of shares must be funded from trading profits, reserves and or new shares issued, and is at the absolute discretion of The Management Committee, having regard to the long-term interests of The Society.
- b. Applications are reviewed in the order they are received.
- c. The maximum amount of all withdrawals in any one year is set at £10,000, in total.
- d. The Management Committee have established a cash contingency/reserve of £15,000. This covers the loan repayments for one year and is held as a protection should there be a loss of tenants. The original loan was for 10 years and is due to be fully repaid by 2029. The cash contingency will be subject to regular review.
- e. The award of the grant to refurbish and insulate the roof, from the Department of Levelling Up, Housing and Communities was received in March 2024. The costs of the project are considerable, and without the grant the work could only be afforded after saving for over 10 years. The deterioration of the fabric of the roof has long-term implications for the building, and also as an attractive property for tenancy. Not all of the costs are covered by the grant, a percentage of the final cost must be matched from our own funds. Our potential contribution is likely to be over £37,000 dependent on the final cost of the project. £27,000 is ear-marked from our cash reserves, with the remaining £10,000 provided from a 2-year personal loan from a shareholder. Without proof of this commitment, The Society would not have been eligible for the grant.

3. Procedure

Should a shareholder wish to request the withdrawal of shares this can be done with an email to kingstonecommunitysociety@gmail.com, stating the shareholder name, address, contact telephone, and number of shares held, and number of shares requested to be withdrawn.

 - 8.5.3 the Management Committee may decide that interest shall not be paid in relation to holdings of shares below a minimal level.
- 8.6 On the solvent winding-up of the Society, holders of shares will have no financial entitlement beyond the payment of outstanding interest and repayment of paid up share capital.
- 8.7 In the event that a Member resigns from membership, is removed from the Register of Members, or is expelled in accordance with the Rules, shares held by them at the date of resignation, removal or expulsion shall thereupon become a loan, repayable to the former Member by the Society. The terms of repayment shall be those applying to the withdrawal of share capital set out in the Rules, and notice of withdrawal shall be treated as having been given at the point of resignation, removal or expulsion.
